

The Mountain View Garden Club's annual Plant Sale/Exchange & Marketplace will take place on Sunday, June 2nd with vendors from 11 til 4 and the plant sale/exchange from 2 til 4 at the Clifford Township Community Center on 119 Cemetery Street in Clifford (also known as the Municipal Building). There is a beautiful park on the property for those vendors who would like to be outdoors as well as a large garage which will provide some indoor space.

We would love to have you as a vendor this year. We are asking that vendors wishing to be outdoors provide their own tent. As mentioned above, we will have some vendor space in the garage which will be available on a first come-first served basis. Indoor vendor spaces will be approximately eight foot square and will cost \$20. There will also be a \$20 application fee for a space for a tent. You must provide your own display tables, stands, etc. We are also asking you to provide an item for our raffle. Wi-Fi service is available.

Once again, please note that the limited indoor vendor space will be available on a first come-first served basis.

Would love for you to be a part of this event.
