

February 11, 2022

The Mountain View Garden Club is making plans for our Plant Exchange & Marketplace which will take place on Sunday, June 5 with vendors from 11 til 3 and the plant exchange from 1 til 3 at the Clifford Township Community Center on 119 Cemetery Street in Clifford (also known as the Municipal Building). There is a beautiful park on the property for those vendors who would like to be outdoors as well as a large garage which will provide some indoor space.

We would love to have you as a vendor this year. We are asking that vendors wishing to be outdoors provide their own tent. As mentioned above, we will have some vendor space in the garage which will be available on a first come-first served basis. Indoor vendor spaces will be approximately eight foot square and will cost \$20. There will also be a \$20 application fee for a space for a tent. You must provide your own display tables, stands, etc. We are also asking you to provide an item for our raffle. Wi-Fi service is available.

Mark your calendars now and let us know if you can join us this year. Also attached to this email is a Vendor Application for your convenience. The deadline for the application is May 1st; however, if you would like to join us, we would appreciate it if you would drop us an email or call the number below by the 1st of April so that we can determine needed vendor space. Once again, please note that the limited indoor vendor space will be available on a first come-first served basis.

Would love for you to be a part of this event.
