

The Mountain View Garden Club will be sponsoring it's annual Plant Sale/Exchange & Marketplace on Sunday, June 7, 2026 at the Clifford Township Community Center on 119 Cemetery Street in Clifford.

The annual event hosts twenty-five to thirty local artisans and food vendors and we invite you to join us. Garden Club members provide perennials from their gardens for the plant exchange as part of the event. Perennials are also sold and attract a large crowd from our surrounding communities.

Vendors will be selling their wares from 11 til 4 and the plant exchange will take place from 2 til 4. Outdoor vendor spaces are situated in a beautiful park and cost \$20. You must provide your own tent and tables. We also have limited indoor vendor space as well as space in an outdoor pavilion, all of which will be available on a first come-first served basis. Indoor and pavilion spaces will be approximately eight foot square and will also be available for a \$20 fee. We also ask you to provide an item for our raffle. Wi-Fi service is available for those of you who need wireless for credit card sales.

Mark your calendars now and let us know if you can join us this year. We would appreciate hearing from you by the 1st of April so that we can determine needed vendor space. Once again, please note that indoor and pavilion vendor space will be available on a first come-first served basis.

We would love for you to be a part of this annual event.
